Substitute Teacher Arrested for PI

According to Johnny Logsdon, Chief of Police – City of Booneville, a tip came in that a substitute teacher in a 2nd grade classroom at Owsley County Elementary School was possibly under the influence of drugs. This tip came to him on Wednesday, May 7, 2014 at approximately 12:30 PM. Chief Logsdon contacted Principal Taylor to check the situation out. Shortly after that Chief Logsdon and Owsley County Deputy Justin Wilson responded to Owsley County Elementary where they observed, Tina Jo Young Herald, 37, of Buckhorn, KY walking unsteadily up the hallway towards the principals office. Chief Logsdon stated that both officers did field sobriety tests and she failed both. He also stated that the defendant told them that she had taken medication before coming to work. After a search of the defendant's purse, they found two different strength of Hydrocodone and Butalbital. Young was arrested and charged with Public Intoxication,

PARTNERSHIP HOUSING Board Chairman Cale Tuner, left, Executive Director Cassie Hudson and Rachel Marshall, right, accept the 2014 Touchstone Energy Housing Construction award from Rodney Chrisman, Jackson Energy's Manager of Economic Development and Community Relations.

Partnership Housing is using floor joists and insulation to build better communities

The Owsley County non-profit was recognized at the Midwest Energy Residential Conference in Lexington for its housing program. The organization has built 13 energy efficient homes in rural southeastern Kentucky.

Jackson Energy presented the award for building the most Touchstone Energy homes. Touchstone homes use about 30 percent less energy than the average home due to their stringent construction requirements.

Executive Director Cassie Hudson, Board Chairman Cale Turner and staff member Rachel Marshall accepted the award, which was presented by Jackson Energy Manager of Economic Development and Community Relations Rodney Chrisman.

The cooperative provides construction recommendations and energy efficiency rebates to Partnership Housing, and the agency has received grant funding from Jackson Energy's Operation Round-Up program.

A Simple Man

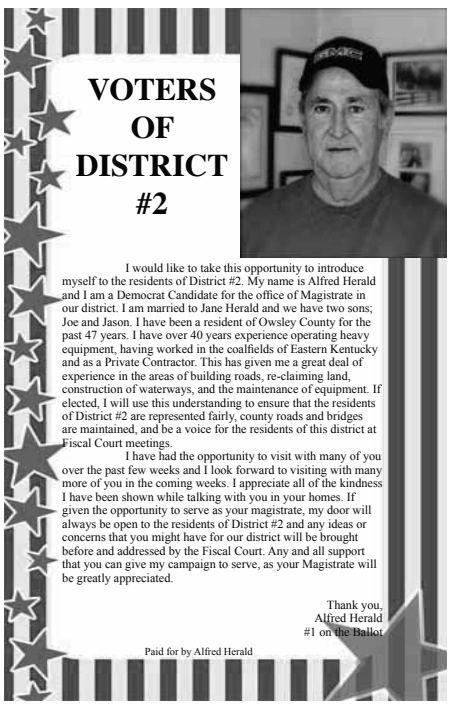

By: Margaret Faye Hensley

Column 85

Liza Jane and Clarence ordered the daily special for supper, while Jake just had iced tea since he did not eat until after the band played. He said he couldn't get the notes out if he had a full belly of food. "I need all the help I can get when I sing," Jake offered. "How long have you been performing Jake?" Liza asked with her voice high with enthusiasm. "Well, Jake began, I played guitar and sang with my father while I was growing up as a child." "Then I didn't have much time to play or learn songs while I was working, so after I retired I bought me a good guitar and thought I would see if I enjoyed it." "I quickly found that I had missed that part of my life and that I couldn't wait to spend time playing and singing." "When I moved here, there were several opportunities to listen to live music and I was motivated to practice every chance I got." "After deciding to torture your father with my singing, he encouraged me to bring my guitar and ask if I could sing a couple of songs with this band that was playing every Saturday night." "I was very nervous the first time or two, then it became increasingly easier to get up in front of people other than your father." "The band accepted my limited talents and I have been a regular ever since!" Jake smiled as he thought about how it had happened to him. "You are a humble person Jake, because you are a wonderful singer and the audience enjoys hearing you sing and play, that much is obvious!" Liza stated emphatically! Jake was touched by her comment, and wasn't sure what he had done to deserve her praise. He had hoped she would enjoy his attempts to entertain, and it pleased him to know that she appreciated him. It mattered to him what Liza thought about all subjects. He looked forward to talking to her about current events, and he also liked to talk to her about the turbulent years they both grew up in. He had been married once and his wife had been such a negative person that he found himself avoiding all conversation with her because it would eventually end in an argument. They had divorced and he had not found a woman that intrigued him like Liza Jane. He had not found a woman who was as loving and generous as the youngest daughter of Clarence Calahan. He had thoroughly enjoyed the last couple of weeks since Liza had arrived. He felt like he knew a lot about her before he even met her because of all the things Clarence had told him about her. He looked forward to spending time with Liza and her father, and found himself planning his life around what the three of them would decide to do. Life had gotten better he realized.

To the voters of Owsley County.

My family and I would once again like to ask for your vote in the upcoming state representative's race. We have many problems facing us every day with families being affected by drug abuse and the lack of facilities in which to treat these victims. Everyone who is connected with this overwhelming condition faces the same problem.....nowhere to turn for help. The current rehabilitation facilities have a long wait time for patients to receive treatment and after treatment is completed, there is nowhere for them to receive any further care or follow-up. I am dedicated to working on these devastating issues.

Another huge concern of mine is the lack of jobs for persons seeking employment. A number of my voters have lost their jobs due to cutbacks in the coal industry. I will work diligently to promote any form of employment that can be brought to our district.

Please consider me as your democratic candidate for state representative in the 91st District. Thank you from my family and myself,

Arch Johnson, Jr.

R. Ethan Taylor Graduates Berea College

Ethan participated in the Baccalaureate and Commencement Exercises at Berea, Sunday, May 4th, 2014. He graduated Magna Cum Laude with a degree in Appalachian Studies, College President, Dr. Lyle D. Roelofs presided.

The Commencement Address was presented by Appalachian writer; Bell Hooks and Silas House. Dr. Hooks is presently a Distinguished Professor in Residence in Appalachian Studies at Berea College. Originally from Hopkinsville, Kentucky, she received her higher education at Stanford, Masters at University of Wisconsin and Ph.D from the University of California. She taught at Yale, was Tenured Professor at Oberlin College, and Distinguished Professor in Residence at City College of New York, before joining the faculty at Berea. She has written over 30 books. After returning to Kentucky, she wrote a book of poetry; Appalachian Elegy. She noted that she and Silas House were both reared in the Pentecostal Church.

Silas House, a native of Laurel County, currently serving as National Endowment for the Humanities Chair in Appalachian Studies at Berea. He is the award-winning author of five best selling novels. He was selected to edit the post humorous manuscript of acclaimed Appalachian writer, James Still. He has received many writing awards too numerous to mention. ACE Magazine hailed him as a "Folk Hero" for social justice activism. New York Times and other periodicals have featured his writing. He was a former commenter for National Public Radios All Things Considered.

Ethan Taylor

Ethan received the Wood Achievement Award, which included a monetary reward of $5,000. He stepped to the microphone of his own initiative, expressed his gratitude for the award, for his education, the support of the faculty, family, and friends. Then with a quote from a Dolly Parton song, he said, "That's my mom". He dedicated the award to his mother, Valerie Hamblin, for all the help and encouragement she provided.

Three days after graduation, he left for Spain and Portugal on tour. Then he and friends will go to Ireland before returning home with the Berea College Choir.

Jesse Bishop, Jr.
Magistrate, District #3

I would humbly like to ask you to re-elect me as your Magistrate, District #3. I feel that I have worked hard over the past 15+ years that I have been in office, answering calls from you and helping everyone any way I can. I have worked with the city and the county on several different projects. I have 20+ years experience running heavy equipment, building roads, construction of waterways, how bridges are maintained, maintenance of equipment, bidding process, etc.

I will continue to do my job to the best of my ability and help everyone in my district. I again ask for your vote on May 20, 2013 so I can continue to work for you as your Magistrate, District #3.

EDDIE ISAACS

MAGISTRATE, DIST. 2

NUMBER 4 ON YOUR BALLOT

Elect JR

MARK EDWARDS

CORONER

#1 on Ballot

- Currently serving the citizens of Owsley County as Deputy Coronor
- A thorough, competent investigator,who is ethical, compassionate, and caring
- Experienced, Certified, and Licensed as a Coroner in Commonwealth of KY

My name is Mark A. Edwards and I'm seeking your support in the May primary election, as a candidate for Owsley County Coroner.

I graduated from Owsley County High School in 1978, and answered the call of duty to serve my great Country after graduation. I retired honorably from the U.S. Army after serving 18 years on active duty. Ten of those years were served at the White House in Communications, working directly with President Reagan, President Bush administrations, and the United States Secret Service.

I am the son of Dick and Maria Edwards. My wife is Linda Wright Edwards. I am proud to Say that I am the grandson of the late Edd and Emma Harvey and Bill and Ruth Hamilton. My wife and I are the co-owners of the Booneville Funeral Home.

The meaning of the word CORONER is "a public official whose chief duty is to determine the cause of death not obviously due to natural causes". What are my qualifications for coroner? I am currently serving as Chief Deputy Coroner of Owsley County, having been trained in this position for the past four years. I have had the opportunity to work closely and **Confidentially** with the Kentucky State Police on many death investigations. Love for Owsley County and my fellowman, deems it necessary to carry on the duties of this office in a **Professional** manner.

The Booneville Funeral Home has provided the official Coroner office space, vehicles and liability insurance free to the county since it has been in business thus saving the taxpayers of Owsley County thousands of dollars in revenue that has been used to benefit other areas in the County, if elected I pledge to continue providing these assets at no charge to the County, also we provide a modern, state of the art, holding facility, which is the only one in the area.

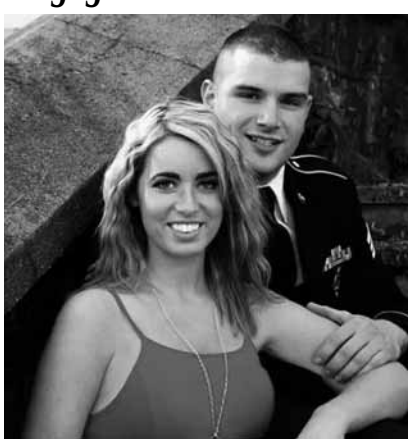

As your candidate for Coroner, my life outside the funeral director/owner, is enriched by attending the Booneville United Methodist Church, a lifetime member of Three Forks VFW Post 11296 and DAV Chapter 165, a proud supporter of Owsley County 's sports program, a member of the Owsley County Historical Society, and a Kentucky Colonel.

On May 20, vote for a caring, compassionate, and ethical candidate to be your next Coroner.

First I would like to thank each and every person that has welcomed me into their homes and have shared with me their concerns for their county. After listening to everyone I feel there is great need for change in the Sheriff's Department. Give me a chance to make those positive changes by electing me Democrat candidate for sheriff.

The choice is yours when you cast your vote on May 20th in the Democratic Primary election. Once again, I encourage each and every person to get out and vote because it will make a difference in this election.

To the Voters of District #1

My name is Zeke Little Jr. I'm a candidate for Magistrate in district #1. I have tried to visit everyone who I could find that was home. If I missed you I apologize because I wanted to talk to everyone and hear your suggestions and what you expect from your next Magistrate. If elected, these are some of the things I would like to see accomplished:

- Pull the ditch lines, grade, and crown the gravel roads.
- Cemetery roads repaired by Memorial Day.
- Guardrails put up in needed areas.
- Side roads mowed as needed.
- Potholes repaired on blacktop roads.
- If elected I will work with the school system to make roads and turn arounds safe for transportation of students.

These are some of the concerns I have heard while campaigning.

If you, the voters in District #1 will give me just one chance, I will work very hard to meet the needs of the voters in District #1. I have nine years of experience operating heavy equipment and roadwork. I will be a voice for the people at all Fiscal Court meetings. I am not a person who will forget the people and never get out and do the job but receive a paycheck. If elected you will see me on a regular basis and not just at election time. If elected and I do not stand up to my obligations, I will resign from the position as magistrate. I am listed #6 on the ballot.

TO THE VOTERS OF DISTRICT 2
Vote MIKE THOMAS #7 On The Ballot

My name is Mike Thomas. I am a republican candidate for Magistrate District 2. I am married to Melissa Wilder Thomas. As the election draws near, I would like to thank each one of you for inviting me into your home and the support you have shown me. I would like to ask that you continue supporting me as you cast your vote on May 20. If elected I will strive to do my best and continue to listen to your concerns and get those concerns taken care of. I plan on accomplishing and maintaining these things for our community.

1. I will be a full time Magistrate for you to voice any concerns or questions to.
2. I will make sure all cemetery roads are maintained.
3. I will work to get potholes filled and gravel where needed.
4. I will work with the school system to make better and safer roads for our children.
5. I will check my roads monthly and stop to talk with you.
6. I will help improve 911 dispatch system.
7. I will help improve gravel roads and pull ditch lines.
8. I will work to keep our roads clean of trees and trash in order for safe traveling.
9. Any other thing our people in district 2 would like done for their community I will post theses concerns in the newspaper and present them to our judge to prove that I am doing my job.

Together we can make better roads and improve our community. Again I ask that you cast your vote for me and let me prove that I am the man for District 2. Thanks again for all your support.

OWSLEY COUNTY JUDGE EXECUTIVE

Four years ago, I asked for your vote for the office of Owsley County Judge Executive. I promised you then that if elected, I would try to use a common sense approach in everything I did; to have the best interests of all the people at heart in any undertaking; and that I would try to tackle the present day and future problems of our county in an honest and straight-forward manner. I pledged to attend every required training, to stay abreast of all laws and regulations. I promised you that I would maintain an "open door" policy to be available to our citizens, that I would not employ any family members and that I would work hard to pursue every available option to improve our community. I have kept every promise!

I have faced and overcome many funding obstacles during the past four years, with the loss of most of our coal severance funding. Although funding has decreased each year, I have managed to run the office successfully, as reflected in our annual audits.

I am fortunate to have been able to keep almost every county employee from the previous administration and they all continue to do an excellent job. Presently, our county roads and bridges are well maintained and we work hard to solve all reported problems. We continually strive to improve and maintain roads to all graveyards in the county. We encourage families to notify us immediately when a loved one passes away so that we may make any cemetery road adjustments necessary.

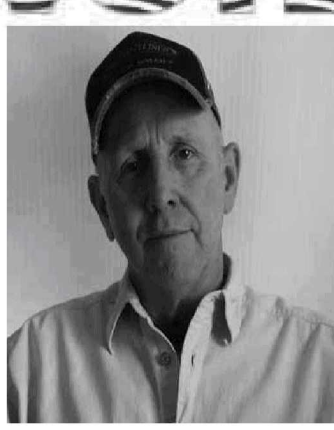

We are in the process of blacktopping several county roads at this time and hope to add others in the coming months. Blacktopping projects have been divided equally between the three magistrate's districts and we hope to complete these projects soon.

Funding has been appropriated for new low water bridges at the mouth of Wolfe Creek and Hacker Branch, as well as a new bridge at Travelers Rest. Bids for construction on all three bridges will be let in June. The installation of guard rails along the river from the water plant to Riverside Apartments will also begin in June.

Funding has also been approved for Phase One and Phase Two of the Highway 30 Project from London to Booneville. The construction of the new bridge at Travelers Rest, plus a one mile section of highway which will begin in June, will be the first step of Phase One. During 2015, planning will begin on the section of highway from Travelers Rest to the Jackson County line. In 2016, Phase Two will begin with highway construction from Levi to Travelers Rest. The magistrates and I have worked continuously during the past several years with the offices of the governor and the Kentucky Department of Transportation to bring this road to Booneville and finally, we can see the light at the end of the tunnel. If elected for four more years, I hope to see this project through to completion.

None of us know what the future holds, but I will do my best to continue to pursue every available source to move Owsley County forward. With the May Primary only a few days away, I would like to express my sincere appreciation to all the citizens of Owsley County for inviting me into your homes and for once again sharing your concerns for our county. I encourage you to go to the polls and vote on May 20th! I appreciate your continued support and I look forward to working with you to build a better Owsley County for us all!

Magistrate Dist. 2

Friends and neighbors of District 2, on Election Day you will have a difficult choice to make as whom to elect as your candidate. We have many good people seeking the office of Magistrate in District 2. I hope you will consider and vote for me. Some of my credentials are as follows: I served 4 years in active Military Service and 7 years in the National Guard. I am a member of the VFW and the DAV, in which I served as Treasurer. I served as Vice Commander of the American Legion. I also have the distinctive title of Kentucky Colonel. I have served on many committees with the school system. I have also operated a successful business in Owsley County for over 30 years. I have been blessed with a great family and a wonderful community to live in. I'm fully committed to the task of Magistrate and feel I'm highly qualified for this position. Please consider me on Election Day.

CEMETERIES NEED CLEARING

Memorial Day is May 26. Many people travel to Owsley County for this holiday, and to visit family cemeteries to place flowers on gravesites of loved ones. This is a heartfelt and admirable thing to do. Thirteen years ago on Mother's Day is the last time I visited the graves of my loved ones. They are buried on top of a hill. Thirteen years ago in July I had a massive heart attack and my doctor will not allow me to climb hills. There is no road to drive to this cemetery. So for me there is no choice on whether or not to go. I would love to be able to visit this cemetery, but I realize I will never again have that privilege. The cemetery has been closed to burials, so even in death my body will not be allowed to go to the Wilson Family Cemetery on Hwy. 2152W, Left Fork Cow Creek Road.

Owsley County has many, many cemeteries that are not being cleaned off. Many are being given back to nature whether on hill sides or on level ground. This is such a shame, because this is a big part of history of Owsley County and Kentucky. Cemeteries hold a wealth of genealogical information. If we continue to lose cemeteries, the information there may not be recorded any place else.

Granted it can be hard work especially the longer it has been left unattended. It takes one person to spearhead the effort or one who can do it by himself if need be. Point is what does it take: one man or woman with friends, a call for help to do a cemetery in a day or two. Those of you who live away from Owsley County and say it is too far to come to help, you can open your checkbook and send some money to a trusted friend to pay a local person to do your part. We owe a debt to our loved ones who have passed on and keeping up their burial place is one of those debts. I am not asking you to reset stones--leave them where they lay and clean around them. Do not move or remove rocks , because they may represent a grave--just let them lay where they are and clean around them.

Start a group to volunteer once a year to clean one, two, or more cemeteries a year. Name a leader of the group and set an annual date to clean. In the old days people got together and cleaned off cemeteries and usually had a "meeting on the hill" once a year. By having a group that is named and has an agenda with a date, many of our young people could get in on these workings. It would be a beautiful opportunity to teach respect of our ancestors to our children and grandchildren. Let the young people know why cleaning cemeteries is important to you and to them. The old ways can live on even in our fast paced society. Just a few hours out of a year can make a difference! The history you save just may be the information your great-grandchild may one day be searching for. I urge everyone to get involved in this effort.

Lowell Morris and Mose Noble deserve a great deal of praise for all the cemeteries they clean and have saved from being lost. They keep the Wilson Cemetery clean. Thank you, Lowell and Mose. Thank you to all the families who do clean their cemeteries, thank those of you who volunteer and clean cemeteries that are on your property and thank you who volunteer and may not have any connections to a cemetery whatsoever, but you simply do it as an act of kindness and good will.

You may contact me, Delcie Hall, at The Owsley County Historical Society; PO Box 1166; Booneville, KY 41314 or delciehall@yahoo.com or by phone 606-593-5981.

Elect
Kenny Thomas
Magistrate District 1

Hello, my name is Kenny Thomas, Republican Candidate for Magistrate in District #1. I am the son of Clayton "Buck" and Norma Thomas, I have one sister Sheila and one brother Mike. As children we were taught the value of hard work, to put 110% into your job and do it well. If elected I will work hard for you, the people of District 1.

As I have traveled through my district to visit with each of you I have heard your concerns and have seen them first hand.

I have listened to each of you and if elected I will work with the next elected Judge and officials to correct and maintain your concerns:

- **Gravel roads that need ditched, graded and graveled**
- **Broken black top roads with too many pot holes**
- **Stopped up culverts**
- **Existing low water bridges that dam up the creeks**
- **The need for more bridges that will carry heavy rains**
- **Needed guardrails in some areas**
- **Improve our county park so families will feel it is safe for their children to play and have clean restrooms**
- **Improve 911 dispatch system**
- **Support road side liter too help keep our county clean**
- **Keep roads mowed during the spring and summer**
- **Maintain our cemetery roads**

These are just a few of the concerns I have discussed with you during my visits. I think we can do better and that we must do better for people of District 1. I am asking for your support and if elected will begin immediately to address each of your concerns. I will see you on a regular basis to listen to your concerns and work for those who elected me.

Vote and Elect Kenny Thomas, Number 3 on the Ballot on May 20th.

Thank you.

DISTRICT 3

In a few days voters of District 3 will choose a Magistrate. As a candidate for this position, I have tried to visit and talk with each voter to establish the needs and concerns of the people of this district. I am sorry if I missed you because your concerns are also important to me.

One of the chief duties of a Magistrate is to see that all county roads are maintained. Culverts installed and open, roads graded and graveled, bridges in good repair, and cemetery roads accessible.

I retired after decades of working for the county and will be your full time Magistrate. I will see that our roads are maintained, respond to your telephone calls, work to add funding to our local fire departments and cooperate with other members of the Fiscal Court to advance Owsley County in any way possible.

I will appreciate your vote and support on Election Day and look forward to serving you over the next four years.

A Few Thoughts On Mother's Day

by Donnie Peters

This past Sunday was Mother's Day, a time to give show our appreciation and love for our wonderful momma. It's a chance to gather with our brothers and sisters; perhaps accompany her to Church like we did as kids. Go out to her favorite restaurant for a family meal. A rare chance for the whole family to be together like we did when we were young. It's a day for mom to be treated like a queen and shown how special she really is.

The thing about moms is that no man ever can truly understand the bond between a mother and her child. No one will ever have as much influence in our lives. She carried us for nine months; through sickness and aches, through worry and absolute fear sometimes without complaint. She allowed her body to be our home when we couldn't survive alone. She gave us her strength, her warmth, her very life force, and her unconditional love without even knowing us yet. Just the knowledge that we were part of her and the promise of seeing her child have life was all she needed. She bore indescribable pain to give us life... and she did it willingly and happily. She would do it again. That my friends is true love.

Our mother is our one true champion. She will be there when you are sick, when you are scared, when you are afraid, anytime you need her. She will support you no matter what and will do anything to make you feel safe and loved. She will love you when you can't even love yourself.

We have many chances in our lives to please our mom. We can get good grades in school, we can go to college and get an education, get a good job. We can learn manners, be a good kid, and be a good citizen. Marry a good spouse and give her beautiful grand kids. All of these are things that a mom wants for her child. But the main thing a mom wants is... us. We grow up and have our own lives; we get caught up in our jobs and promotions and struggles to be successful. We have precious free time to ourselves. We have less time for our mom. We mean to see her often, we try to get home as much as we can ... but you know how things always seem to come up.

As we grow older we look back on our lives and see things we are proud of and things we are not so happy with. Its life... the only thing that I truly regret is that when my mom was alive I never spent as much time with her as I could have. We had a wonderful relationship. She loved me and she knew I did her, but there were times I could have been there that I wasn't. I had reasons, maybe good ones, but when all is said and done... I missed chances that never came back.

Never take your mother for granted... show her every day how much she means to you. Call her. Better yet, go to her and give her a big hug and a kiss and say "Momma I Love You!!!" Do it today and every day if you can ... once she is gone you will wish you had. Other than losing a child there can be nothing more heartbreaking than losing your mother. Please do it if yours still is with you. You have no idea how much I would give to be able to see my mom again.

God bless all the moms who do whatever it takes to care for, protect, and love their kids without condition! There is truly no bigger blessing than to have a wonderful loving mother.

2014 4-H Banquet

On Monday, April 21st. the Annual Extension Service and Soil Conservation was held at the Owsley County High School cafeteria. The banquet was a huge success with approximately 150 people in attendance. The Owsley County Extension Service recognized District Board Members, outstanding Agriculture and Natural Resources program awards, outstanding Family & Consumer Sciences program awards, Owsley County Extension Homemakers and the OCHS Seniors receiving the Extension Homemaker Scholarship, outstanding 4-H Leaders, outstanding 4-H Teen Leaders, Talk Meet, Demonstration winners, and those youth who entered State fair projects.

Agriculture Program Awards for 2013- 2014:

The Owsley County Agriculture & Natural Resources program awards honored Clinton Bishop for Outstanding Leadership & Support of Production of Agriculture in Owsley County. Also honored were the Owsley School District, Owsley County Farm Bureau and Owsley County Soil Conservation District for their Partnership and Outstanding Support & Contributions to the Owsley County Farmer's Market. We appreciate all their support, service and leadership.

Family & Consumer Sciences Program Awards for 2013-2014:

The Owsley County Extension Service Family & Consumer Sciences program honored Melinda Turner for her service on the State Family & Consumer Sciences Advisory and the State FCS representative on the State Extension Council. She also has partnered with the Owsley County Extension Service on programs such as Chef Clover Cooking Camp, 2S Event and many other programs. We appreciate her support of the Cooperative Extension Service and leadership.

Three outstanding Owsley County Extension Homemakers were also recognized for their outstanding leadership and support throughout the year.

Mavis Price was recognized for her continued support of the Cooperative Extension Service and the Extension Homemakers. Mavis was one of the charter members in Owsley County for the Extension Homemakers. She was also President of the Vincent Homemakers. Mavis was the winner of the Master Farm Homemaker Award which is a highly prestigious award.

Judy Spencer was also recognized for her years of support and leadership and participation in the Owsley County Extension Homemakers. Judy has been President of the Owsley County Extension Homemakers for several terms throughout the years and has been involved in almost every program that we have offered. She has also been a wonderful recruiter for our Extension Homemaker program.

Another wonderful recruiter for our Extension Homemaker program is Mrs. Maria Edwards. Maria was also recognized at the Extension Banquet. She has also participated through the years in all of Extension programs. Maria has been instrumental in assisting with our student scholarship programs as well.

This year, the Owsley County Extension Homemakers raised enough funds through various fundraisers for 4 OCHS graduating senior scholarships.

The Student Scholarship committee selected 4 outstanding OCHS Seniors to receive $250 each for their scholarship applications including the following in alphabetical order: Olivia Bryant, Joslyn Cope, Adam Holmes and Austin McQueen. All four students will receive their money and certificates at the OCHS Awards Banquet.

GET OUT AND VOTE 2014 PRIMARY

Hundreds of thousands of young Americans are serving our Military to preserve our way of life and yet fewer and fewer of our citizens are participating in our Democracy. May 20th is primary Election Day when Kentuckians will be selecting candidates for Kentucky's General Assembly, U.S. Senate, U.S. House of Representatives and many local offices. Members of Owsley County Farm Bureau's hope is that every voter will make their voices heard by casting informed votes for our government leaders.

As Kentuckians it is our responsibility to find out the ideas of each candidate and as Owsley Countians it is our responsibility to let the candidates know what issues are important to our community and it's easy to do. A number of key issues are expected to be considered during the 2015 Session of the Kentucky General Assembly so it is critically important we have elected officials in office who understand the importance of agriculture and the issues confronting rural Kentucky. Be involved and attend the functions candidates attend and tell them what is important and ask them about their positions on key issues. Campaigns select issues based on what voters tell them are important.

Your involvement will make a difference in the process. First you must bring your issue to the front of the debate. Then hold the candidates accountable by going to vote. Owsley County Farm Bureau urges you to make an impact by voting in the May 20th Primary!

As the upcoming election approaches I would like to take this time to say thank you to the citizens of Owsley County. I am humbled by those who have allowed me to come into their homes to listen during this pre election period regarding the needs and concerns I feel I should be implanted in 2015. Know that I will stand 100% behind everything that I have told you during this 2014 primary election period. If elected as your next Owsley County Judge Executive, citizens will prosper and our county will benefit greatly from the goals that I plan to put into action if elected as your judge. There has yet to be an Owsley County Judge Executive who has worked as hard for this county as I myself plan to work if elected. In addition I will not need four years for the citizens of Owsley County to see change because this change will be notable within the first six months of 2015. I have been door to door, visiting nearly 85% of all the household in Owsley County. I hope by May 20th I will be able to visit everyone. I have greatly enjoyed this time, talking and listening about the many concerns of our county. One thing is for sure, change is needed and wanted. During this time I have met some fine people. We may be a poor county however, make no mistake that we are a proud county. I promised to be an honest and loyal judge to the people and I would greatly appreciate your vote on Tuesday, May 20th.

Thank you very much from the bottom of my heart.

Marshall "Duke" Turner
Republican Candidate #3 on Ballot

Paid for by Marshall Turner

The area in the picture is a beautiful place and could be used as a small park or rest area, if it was kept clean and mowed and possibly put a couple of picnic tables there. It would be nice if our elected officials would keep it cleaned up.

As a candidate for **Owsley County Judge Executive, on Tuesday, May 20th** I ask each of you to come together for the greater good of our county, decide what is best for you, your neighbors and your county. Talk to your neighbors and friends, ask them to join you at the polls and cast a vote for our future, vote

Audley Gay for County Judge Executive

It will be a vote to change direction and move our county forward in a new way.

As your Judge Executive, my first priority will be to bring accountability to Owsley County. I fully understand the problems facing us today and most importantly, our needs. I have a vision for our future. The vision of a county that will generate economic growth, provide for the needs of our senior citizens, veterans, schools, fire departments, roads, cemetery roads and maintenance, recreation, youth, and improving the quality of life for ALL Owsley Countians.

I ask that you look at my education and experience in management and supervision. I have invaluable experience in working closely with elected and appointed officials. I feel that part of an effective administration and leadership is bringing diverse groups together, achieve shared goals and offer each of you the opportunity to be a part in shaping your future. Our county needs are unlimited and I will strive to meet those need.

My goals for the next four years are:

- Focus on creating job opportunities. I will work with anyone who has the same goal. Together, we will reduce the high unemployment rate which plagues our county. I will work tirelessly to bring industry to this county.
- Create a road/bridge assessment system and a four-year road/bridge plan that will place road work as a need-based project instead of influenced by politics, which will help everyone.
- Owsley County's youth is of utmost importance to my administration. The lack of jobs and recreation for our youth promotes crime and illegal drug use. I will work to keep our youth from gravitating to larger cities upon graduation and secure a recreational facility, which can and will be obtained through grant funding. Our youth is our FUTURE.
- It is of utmost importance that we treat our senior citizens with dignity and respect. I will work effortlessly to assist and provide financial assistance and support to the Owsley Senior Citizens Program.
- I will promote improved road access to all cemeteries and assure that all cemeteries are mowed and maintained.
- It is of utmost importance that we respect and honor our veterans and I will work effortlessly to assist veterans in crisis, provide housing support, mental health services, treatment for addiction, job training and any other need that can be provided.
- Education is the key to each and every person's future. I will work with our local school system to help enhance school programs and provide assistance to help students reach their educational goals.
- We must and shall support our volunteer fire departments. Providing assistance to our fire departments will reduce homeowners insurance premiums and help in securing industry to the county. I will encourage the Fiscal Court to add funding for our fire departments through adding a line item in the county's budget and secure additional funding through grant applications.
- I will work with law officials, schools, hospitals, health department, churches and families in combating drug abuse by offering a comprehensive effort to promote drug education, enforcement and treatment.
- I will use my education and experience to strive to meet our county's needs, both financial and physical, by securing any/all available funding (grants). Grant funding is unlimited, I have the ability to research available funding and will maintain contact with our legislators, who can and will offer their assistance.

I want to take this opportunity to thank you, the people of Owsley County for the honor of visiting with you. With your assistance and vote, the County Judge Executive's office will always be open to listen to your concerns, we will stand united and we will move Owsley County forward.

I will never forget for whom I work – the people of Owsley County. My ties are with you, the people.

OUTDOOR TRUTHS

by GARY MILLER

Whether you are on the water or in the woods, if fish or game is involved, so is scouting. Just because your boat is in the water, doesn't mean that all you have to do is drop a line in order to catch fish. The same goes for the woods. It doesn't matter what game you are after, just surrounding yourself with trees will not guarantee any success. And then there are the signs that give proof that fish or game have been there before. This is especially evident in hunting. Game trails run throughout the woods. These paths are proof positive that some or perhaps many types of critters are moving throughout the area you are in. But again, these signs do not guarantee a successful place to hunt. I can remember the early years of deer hunting being so excited about these trails only to realize that I knew nothing about what was using them or when they might be using them. This was of course before trail cameras. I can also remember the days when I would unload a boat and immediately begin to fish the first place that looked "fishy." It didn't take me long to realize fish live in the entire lake so it all looks fishy. Again, the signs were no assurance that I would have an encounter with the bass I came after.

Now it is true that the more signs that one has, the greater the opportunity. This goes for fishing or hunting and yet we have all been in the perfect place only to leave empty handed. Sometimes the barometric pressure is not right. Sometimes the wind is not right. And sometimes the water is too high or too muddy. Signs are a great thing to use but signs are not what we are hunting or fishing for. They simple point to the real thing.

This fact is especially true when it comes to creation. If you have read one of my columns for any period of time, you know that I am continually showing you how creation points to a Creator and how creation gives us a great opportunity to worship this Creator. But please don't miss the point. Creation is only a sign of the true God, not a god itself. For if creation keeps you away from being the follower of Christ that you are meant to be, then it has become an idol that you have used to replace the one and only God. So ask yourself this question as you continue to pursue your passion in the outdoors: Are the signs I see from nature making me want to become a better follower of Christ? Or are they replacing that desire? Only you know the real answer and only you can change it.

SAG HOLLOW NEWS

By Deron Mays

* Golf is back in action at Sag Hollow Golf Club for the 2014 season after a long cold winter. The course is beginning to get its green color back and the flowers are blooming. The weather has been beautiful in the past few weeks, with the exception of a couple of rainy days, and golf lovers have taken advantage of the opportunity to test their skills against the Sag Hollow layout. Visitors can play 9 holes of golf for $14 or 18 holes for $20, some of the cheapest rates in the state. Grab your clubs and enjoy a wonderful day of golf.

* The weekly Tuesday league play began April 29 with Jack McWhorter winning the indiviual low score with a -4 from his handicap. Greg Kemper and Allan Strong won the doubles when the pair shot a combined -6. The May 6 league individual low score was won by Bart Patton, who shot a -4 from his handicap. He also won the doubles when he paired up with Jack McWhorter to shoot a -5 combined score.

* The Thursday Skins play began on May 1 and had 3 winners. Patrick Younts, Robert Smith, and Cody Pennington each won a skin. The May 8 Skins play had two winners, Patrick Younts and Deron Mays each won one skin.

* The New Hope Lodge Masonic Scramble held on Saturday, May 3 was won by the foursome of Kyle Bobrowski, Bart Patton, Dencil Begley, and Danny Lane. They scored a 61/-11 to take home the first place money. Second place winners was the team of Jason Hughes, Don Hughes, Glenn Elkins, and Ralph Hensley.

* A fund raising scramble has been schedued for Saturday, May 24 for the Daniel Boone Days Independence Day events. Registration will begin at 9:00 a.m. and the tournament will start at 10:00 a.m. First place prize is $600, 2nd place $400, and 3rd place 4 dozen Pro V1 golf balls. Also there will be closest to the pins prizes on the par 3's. An addition prize will be determined by the top 10 closest golfers to the pin on # 3 during the tournament going to the 100 yard marker on the # 2 hole for a post tournament contest to see who can get the closest to the pin on one shot. Winner wins either $600 cash or a free membership to Sag Hollow Golf Club for next year.

* The 8th Annual Sag Hollow Invitational Tiurnament will be held over the weekend of June 6-8. Friday will kick the events off with a scramble which has cash prizes, longest putt prize, as well as closest to the pins. The invitational will start on Saturday June 7 and conclude on Sunday June 8. This year's prizes include Titleist 714 AP1 Irons for first place in each flight, Titleist 913 D2 Driver for second place, Nike Air Sports Golf Bag for 3rd place, Titleist Vokey SM4 Wedge for 4th place, and a dozen Pro V1x Golf Balls for 5th place. Entry fee for the tournament is $100 if you have your own golf cart and $120 if you use the club's rental carts. Last years tournament had over 80 participants and it has grown every year of its existence. Call the Sag Hollow clubhouse at 606-593-4653 for more details.

ELECT

HEATHER COMBS CIRCUIT JUDGE

My name is Heather Combs and I want to be your next Circuit Judge. I have lived in Estill County for over 17 years. I was the Estill County Attorney for 10 years, and became Commonwealth Attorney in 2007. I have been in that office for over 7 years.

I met my husband Chris in high school in Letcher County and we have been married 20 years. We have 2 children Erin, 18 and Matthew, 14.

I believe everyone should have their say in court and I would do my absolute best to make fair decisions. With 17 years experience in the court system in this circuit, I'm the candidate most familiar with the people here and the issues we face.

Judge's races are nonpartisan, which means you can vote for whichever candidate you like, regardless whether you're a Republican or Democrat. There are 3 candidates for Circuit Judge and the top two vote-getters in the primary will run in the fall. I respectfully ask for your vote on May 20. Thank you.

PAID FOR BY HEATHER COMBS

To the people of Owsley County. Your vote can make a difference. Voting is the most important right we have to change our community. We have proud men and women in the Armed Forces defending that right every day and I'm asking the people to take this opportunity to make a change. Please get out and take a stand and exercise your right on May 20th.

My name is Tim Chandler, I am one of the Republican Candidates running for Sheriff, number 3 on the ballot.

*I have 20 years of experience and training.
*I've worked as Chief in Beattyville for 4 ½ years of them.
*I'm a certified Law Enforcement Officer not a Politician.
*DOCJT Dept. of Criminal Justice Training and NHTSA National Highway Safety Traffic Administration.
*I am certified POT Police Training Officer. Every year I have to take a minimum of 40 hours of training a year to keep my certification and recerts.
*I am the only candidate running with the certification, training, and experience.

If given the opportunity to be Sheriff, my administration would be professional. Officers will look professional and act professionally. Uniforms, personal appearance, and vehicles will be neat and clean. People will be treated with respect at all times. All calls will be answered and responded to ASAP.

The county will be patrolled and papers will be served. Security and safety for schools will be top priority. Other agencies will be assisting when needed. I will try to obtain grants for projects and equipment when ever possible to save county funds.

My Goal is to create and maintain a community that is respectable and safe for everyone. I want to use my education and experience in Law and Drug Enforcement to better our community. I want to help educate our young and bring new hope to our struggling families. We may never win the war on drugs but we must try by fighting one battle at a time. I have worked hard for other communities for the biggest part of my career. I would like to use my experience and training to now help my own community.

If Elected I would be the first sheriff in Owsley County history to be a certified Law Enforcement Officer.

I have been going door to door asking for your support. I apologize if I have not got to see everyone. I am still working on that. I want the best for you and your families. I feel I can make a difference. If given the opportunity. This is why your Vote can make changes that will impact the Future of Owsley County.

Thank You for your Time and Support.

Owsley County School News

Every year the 1st grade teachers take their students, at the end of the year, to the Owsley County Park for a day of fun in the sun!

Happy Mothers Day from Ms. Brandenburg's

The students in Ms. Brandenburg's room, like Miss Mackenzie Reynolds, shown to the left, potted flowers and presented them to their mothers on Mothers Day.

Class of 2014 is currently enjoying themselves at Ocean City Maryland!!!

THANK YOU! FROM TEAM COLBY

Colby Roberts, 6th grader at Owsley County Elementary School was diagnosed with a type of bone cancer called, Ewings Sarcoma. He underwent extensive chemo and radiation with great success! This battle was tough but Colby and his family overcame it! As with any family that has been forced to face this life threatening disease, the cure came at a cost, physically, mentally and financially. In order to bring the community together as a TEAM, to raise money to help with the family's travel expenses, B+H Apothecary donated 1,000 silicone "Team Colby" bracelets to be sold throughout the town! The support shown has been fantastic, selling $626 worth thus far! Joe B. Hall and Brittany Brobrowski of B+H Apothecary would like to say **THANK YOU**, to Charlotte Thompson, Oneida McIntosh and all of the Businesses that have been helping with the fundraiser thus far, including the Owsley County Public Library and Farmers State Bank. Feel free to contact the kind folks/businesses listed or email joe@bhapothecary.com or message us at Facebook.com/bhapothecary to purchase your "Team Colby" bracelet TODAY to start showing your support!

To the Voters of Owsley County: In the final week before the election, I would like to take this opportunity to say how much I have enjoyed getting out and speaking with so many of you. It has been a wonderful experience getting to hear the voices and opinions of the voters of Owsley County. I have covered a lot of ground and will continue to be out trying to meet and speak with each of you over the upcoming week.

If elected as your clerk:

- **I will provide an office that is accessible, organized, and willing to accommodate your needs.**
- **I will have a courteous staff that will treat everyone with kindness and respect. -I plan to implement a system of checks and balances to ensure that my bookkeeping is accurate and that the taxpayers money is dealt with responsibly.**
- **I will take the necessary steps to having hunting and fishing licenses available through the clerks office once again.**
- **I will be trained as much as possible before I take office so I can offer an easy transition for the citizens to be helped without**

As a lifetime resident of Owsley County, I would be honored to be elected by the citizens of this county to serve as your next County Clerk. I look forward to the opportunity to serve this county and be part of the change that we desperately need. All votes and support is greatly appreciated.

Two Indicted for Theft

Cont. from page 1

Trooper Brent Lynch is handling the case and reported to the Owsley County Grand Jury. According to Danny Marshall, the owner of the equipment, the items were taken from, Travis and Curtis Roberts allegedly stole 2 truck radiators; air conditioner cores; batteries; wire cables; destroyed a welder to get the copper out, broke into an old ambulance and stole socket sets, wrenches and other tools. Marshall stated the destruction was terrible.

With the help of Trooper Nick Metcalf, from the London, KY State Police Post, some of the items that were stolen were recovered at Beckners Iron and Metal on Old Hwy 80 on Horse Creek in Manchester, KY.

Both Travis Roberts and Curtis Roberts are being held at Three Forks Regional Jail under a $25,000 cash or a $50,000 property bond.

Partnership Housing is using floor joists and insulation to build better communities

Cont. from page 1

Housing is an outgrowth of the Owsley County Action Team, a grassroots organization formed to improve the lives of the residents in one of the poorest counties in the nation. U.S. Census statistics list the Owsley County poverty rate as 36.4%, which is almost twice the Kentucky average of 18.6%.

Hudson's office is located in the Action Team building in downtown Booneville. Her desk is stacked with folders that hold the qualifying paperwork and details of new home construction and other projects. Home construction is only one facet of the organization's impact on Owsley County. The Partnership board and staff also see the positive effects of its efforts in other areas.

"Energy efficiency allows home owners to have more funds to spend on their family and in the community," Turner says of the collateral benefits, which also include greater financial stability for the family and access to additional funding sources for Partnership projects.

Turner credits much of the agency's success to it's two employees, Hudson and Marshall. He described them as not only being dedicated to their jobs, but passionate about Partnership.

Under Hudson's leadership, the agency completed the rigorous qualification process to become a Community Housing Development Organization (CHODA). Prior to qualifying as a CHODA agency, Partnership could only obtain financing for one home at a time.

Partnership Housing homes are scattered throughout the county, but about half of them can be found in the Maplelick Subdivision, which was developed by the agency. A gently-winding gravel road leads to tidy vinyl-clad houses dotting a rolling hillside.

A building inspector makes his way through a newly constructed home as Hudson points out the compact fluorescent lighting and other energy efficiency features that keep the home's electric bills low. A recent winter electric bill for a nearby home was $125 and electric bills for the same house have been as low as $40 a month.

The agency's work, however, isn't limited to new home construction. Partnership also upgrades qualifying existing homes, and has completed 51 renovations and repairs since 2012.

The energy savings on an existing home can be substantial. "We had one rehab," Hudson recalls, "and their electric bill was usually $300 this time of year. After our work, their last bill was under $95."

When asked to sum up what Partnership Housing does in Owsley County, Hudson replies, "I like to say our mission is this - to increase the amount of safe, affordable and energy efficient homes in Owsley County."

For a growing list of Owsley homeowners, it's mission accomplished.

Substitute Teacher Arested for PI

suspended of her substitute teaching duties within the district until the court proceedings have taken their course", stated Dr. Timothy Bobrowski, Superintendent of Owsley County Schools. "This incident has also been reported to the Educational Professional Standard Boards as required by law". "Substitutes are randomly drug tested as well as all employees, but I cannot comment on whether Mrs. Young-Herald has been randomly selected recently during drug testing because of employee confidentiality", stated Dr. Bobrowski.

Mrs. Herald was arraigned on May 8, 2014 in Owsley District Court where she pled not guilty to both counts. Her bail was set at at a $2500 unsecured bond. Her pretrial conference has been set for June 12, 2014.

VOTE AND ELECT
JASON HOLLAN as your next
MAGISTRATE IN DISTRICT #1

If elected I will give everyone in District # 1 a phone number where I can be reached at any time.

If elected I have plans for Dist. 1:

1. Bring back state prisoners to Owsley Co. to clean the old graveyards up that have been forgotten and to cut brush off curves where we can see while driving around them. To pick up roadside trash. We pay to feed and keep them so why not work them? Lee Co. and Wolfe Co. work theirs 5 days a week. Why not Owsley?
2. Make sure all roads are gravel or blacktop if possible. Fix all graveyard roads and gravel them every time when needed.
3. Make sure turn around places are graveled for school buses. If not, school bus drivers need to report to County Judge Offices.
4. Get county crew to pick up big stuff that garbage trucks cant pick up. We have done this in the past on "clean up" month.
5. Replace torn up culverts and clean out the ones that need it.
